There are 3 ways to have food catered from *Your Personal Chef Catering, LLC* in Rising Sun, Maryland 21911:

1. Pick up your food at 4 South Queen Street in Rising Sun, Maryland, 21911.
2. Have *Your Personal Chef Catering, LLC* deliver our food anywhere in the tri-state area.
3. Have your event catered “full service” with servers, chefs and / or bartenders.

**Pick-up at *Your Personal Chef Catering, LLC*** - Your food will be refrigerated and oven ready; Unless you specify that you want it warm. We will even load your car for you. You only pay food cost. This could be many different foods served at different temperatures. You may have to use chafing dishes or an oven to finish heating your food after pick-up. Please ask for advice about heating your food.

**Delivery Drop Off** - Your food will be refrigerated and ready to heat, unless you specify that you want it warm. We will deliver as far as you like, but over 10 miles requires an additional cost. (Delivery charges are \$20.00 Cold Food & \$40.00 Warm Food). Warm food can be problematic if you don't have an oven or chafing trays. Consider delivery and set-up instead. Please ask for advice about heating your food. After hour deliveries may cost extra. (Chafing tray rentals are \$20.00 per Chafer plus the delivery charge).

**Delivery and Set-up-** We will set up your entire buffet. You supply the tables, and tablecloths, and we will have everything else hot and ready in our chafing dishes. We will supply all baskets, bowls and serving utensils. You just enjoy the buffet with your guests! We will pick up our clean equipment the following day. Same day pick-ups or after hour pick-ups may require an additional charge.

**Buffet Attendants** - Buffet Attendants will set up your entire buffet, maintain the buffet and serve from behind the table as necessary. They will “break down” the buffet and remove all equipment when finished. Buffet Attendants are **not** responsible for any other part of the event. (The cost for Buffet Attendants are based upon the number of hours requested to work – ask your Event Planner.)

**Full service** - Full service events include an event coordinator to help you with the details of your event. Servers, chefs and bartenders (as needed) are there to help you in any way they can to make your event a memorable one. (The cost for Buffet Servers and bartenders are based upon the number of hours requested to work – ask your Event Planner.)

We can provide tents, linens, etc. Please call to set up an appointment. In just 20 -30 minutes we can acquire enough information to give you an estimate.

## § Cancellation Policy §

Full service events cannot be cancelled less than 2 weeks prior to the event. Food can be frozen and held for a later date, or delivered to a homeless shelter.*
